

# Sairah Hafeez Kamran

---

Punjab University College of Pharmacy, University of the Punjab | [sairah.shahid@gmail.com](mailto:sairah.shahid@gmail.com),  
[sairah.pharmacy@pu.edu.pk](mailto:sairah.pharmacy@pu.edu.pk)

## Objective

To gain and impart knowledge in field of Pharmacy with expertise in physiology and pharmacology research.

## Education

### Ph.D (Pharmacy) Pharmacology (2016)

University College of Pharmacy  
University of the Punjab

### M.Phil (Pharmacy) Pharmacology (2010)

University College of Pharmacy  
University of the Punjab

### B.Pharmacy (2003)

University College of Pharmacy  
University of the Punjab

### F.Sc. Pre Medical (1997)

Government Jinnah Degree College for Women  
Lahore, Pakistan.

### Matriculation (1995)

Sheikh Khalifa Bin Zayed Arab Pakistani School  
AbuDhabi, U.A.E

## Skills & Abilities

- Management of undergraduate and postgraduate classes and laboratory sessions
- Excellent communication skills with students
- Development of postgraduate laboratory practical sessions
- Handling and operating all professional apparatus in laboratories
- Handling of laboratory animals
- Development of new research methods and SOP's

## Distinctions

- First position in M.Phil Pharmacology
- President scholarship in 3<sup>rd</sup> professional year
- University Scholarship

## Experience

### Assistant Professor (September 2016- to date)

Punjab University College of Pharmacy  
University of the Punjab

### Lecturer (April 2011- September 2016)

Punjab University College of Pharmacy  
University of the Punjab

### Retail Pharmacist (June 2013- January 2014)

Talat Pharmacy  
AbuDhabi, U.A.E

## Supervisor

- Have supervised Five students for M.Phil Pharmacology degree
- Have co-supervised nine M.Phil students in Pharmacology Research
- Have co-supervised four M.Phil students for Pharmacognosy Degree

## Publications

- Hepatoprotective effect of Croccus sativus on Amiodarone-Induced Liver toxicity. British Journal of Pharmaceutical research, 12, 2016.
- Amelioration of oral contraceptives induced hepatotoxicity by methanolic extract of turmeric (*Curcuma longa Linn*). International Journal of Biology, Pharmacy and Allied sciences, 5, 2016
- Comparative effectiveness of Cysteine, lysine and Glycine to fend off Paracetamol-induced hepatic insult. Journal of Research and Development, 2.1, 2016.
- Comparative anti-diabetic evaluation of different parts of Himalrandia tetrasperma in alloxan induced diabetic mice. Journal of Chemical Society, 38, 2016.
- Antidiabetic and antioxidant status of Loranthus pulverulentus obtained from two different hosts. Bangladesh Journal of Pharmacology, 11, 2016.
- Antidiabetic activity of crude *Pistacia lentiscus* in alloxan induced diabetes in rats. Bangladesh Journal of Pharmacology, 10, 2015
- Protective effect of crude *Curcuma longa* and its methanolic extract in alloxanized rabbits. Pakistan Journal of Pharmaceutical sciences, 27, 2014.
- Comparative Study of Changes in Hepatic Profile Induced by Liposomal Doxorubicin Versus Conventional Doxorubicin Based Regimens in Cancer Patients. Latin American Journal of Pharmacy, 33, 2014.
- Phytochemical and in vitro antioxidant evaluation of different fractions of Amaranthus graecizans subsp. silvestris (Vill.) Brenan. Asian Pacific Tropical of Tropical Medicine, 7, 2014.
- Effect of iron overload cardiomyopathy in Haemochromatosis and Thalassemia. Journal of Applied Pharmacy, 04, 2012.
- Prevalence, epidemiology and clinical study of Galactosemia. Journal of Applied Pharmacy, 01, 2012.

## Trainings

- **Animal Handling** NIBGE (3days)
- **CCL** Industrial Pharmacy and Quality Control (6 weeks)
- **Highnoon Laboratories** Industrial Pharmacy and Quality Control (4 weeks)
- **Children Hospital** Hospital Pharmacist (4weeks)
